INFORMATION ON PROCESSING OF PERSONAL DATA FOR SCIENTIFIC RESEARCH PURPOSES (ART. 13 REG. UE 2016/679)

DIH InnovaMare (in the following, “Project”):

Dear applicant,
pursuant to Regulation (EU) 2016/679 and the subsequent national transposing laws (jointly, the "GDPR"), with this privacy information notice we wish to inform you about the processing of your personal data.

Aims and data flow of the Project

DIH InnovaMare is a cross-border project led by the Croatian Chamber of Economy and involving ARTI as partner aimed at fostering innovation and sustainability in the Adriatic Sea region. It addresses key challenges such as the lack of cooperation between the innovation ecosystems of neighbouring countries, limited access to funding for innovative projects, and the gap between the development of innovative solutions and their practical application.

The general objective of DIH InnovaMare is to become a leader at a cross-border and community level in strengthening research capabilities and promoting technology transfer for the development of innovative marine technologies, which will enable digital and green transformation for a sustainable blue economy in the Adriatic Sea.

To this end, the active involvement of cross-border stakeholders in project activities, such as trainings, study visits, and participation in events and science fairs is fundamental to enhance private-scientific sector collaboration, promote green and digital transformation, and strengthen private-scientific sector collaboration and innovative networks for sustainable blue economy.

The data flow of the project is described in the following: the applicant will provide its data within a procedure for the selection of participants to the Study Visit in Zadar & Šibenik organised by the Project Lead Partner. If selected, the participants will sign an agreement with ARTI with which it undertakes to participate in the Study Visit. The data and information released within the procedure for the selection of participants can be processed by ARTI, Project partners and the Italy-Croatia Programme through paper and electronic tools for internal analysis and, finally, published on digital platforms.

The provision of data is mandatory for the purposes of this selection and in accordance with the regulation for the protection of personal data Regulation (EU) 2016/679 – GDPR.

Treatment of personal data will follow the principles of fairness and transparency according to Regulation (EU) 2016/679 – GDPR and the subsequent national transposing laws.

The applicants' data relates only to participation in the DIH innovaMare project and not to any other projects that may be linked to the Italy-Croatia Programme or carried out by ARTI.

With regard to the processing of personal data for the purposes described above, the following figures are identified:
