On 5 June 2026, at 2:00 p.m., the Evaluation Committee (hereinafter also referred to as the “Committee”) convened online via the Google Meet platform to carry out the operations connected to the conduct of the selection procedure referred to in the above-referenced Public Notice.

The Committee is composed as follows:

Caterina Liddi	President
Carlo Gadaleta Caldarola	Member
Apostolos Lampadaris	Member
Anna Liberti	Recording Secretary

The Committee takes note of the documentary integrations submitted by the candidates in response to formal requests for clarifications and document integration dispatched by the Person Responsible for the Procedure (RUP) following the initiation of the suppletive documentation procedure ("soccorso istruttorio"), as recorded in Minutes No. 1, and accordingly proceeds to assess the admissibility of the applications

As a preliminary matter, the Committee recalls the grounds for exclusion of candidates as set out in Article 6 of the Public Notice, and specifically:

- a) submit their application after the deadline set out in Article 4 above, or submit the application using procedures different from those indicated in the Public Notice;
- b) failure to meet the eligibility requirements set out in Article 3 of the Public Notice.

Having verified the fulfilment of the admissibility requirements of the applications, the Committee proceeds to draw up the list of excluded candidates, specifying the relevant ground for exclusion in each case, as set out in Annex 1 to these Minutes, of which it forms an integral and substantive part, transmitting it to the Person Responsible for the Procedure (RUP) for the adoption of the measures falling within their competence.
