

S3 Platform on Energy – Smart Grids Partnership

Draft Agenda

Venue: Innovative City 2017 – Acropolis, Nice (FR)

Thursday 6th of July

Morning - Visit of Innovative City Convention 2017 (guided tour of the exhibition hall)

Afternoon - Meeting of the Smart Grid Partnership for Regions and Clusters

We will try to include a presentation in English of the Smart Grid Programme in Provence-Alpes-Côte d'Azur (Flexgrid), with a presentation of companies' solutions (to be confirmed).

Friday 7th of July

Organised visit of demonstrators and/or companies in Nice and around linked to smart grids.

In addition, please note that for those interested to attend the *Innovative City Convention*, several sessions will be dedicated to Smart Grids topics prior to our meeting on **Wednesday 5th of July**:

- 09h00-11h00: Conference about Strategic Operations from Provence-Alpes-Côte d'Azur Regional Council (in French only)
- 14h00-15h00: Nice Smart Valley, the smart electricity system of tomorrow
- 16h00-17h00: Smart Grids for Smart Cities, new models and deployments
- 17h00-18h30: Energy transition and large scale deployment of smart grids in the regions

In parallel, Côte d'Azur University organises on **Thursday 6th of July** (9:30-12:30) during the Convention, a seminar about cooperation dynamics for innovation between universities and smart cities:

Guest speakers:

- Dr Michael Holland, Executive Director, Centre for Science and Urban Progress, New York University, USA
- Dr Subodh MHAISALKAR, Executive Director, Energy Research Institute @NTU, Singapore
- Dr Federico Casalegno, MIT Experience Mobility Lab, Boston, USA
- Dr Xiaoli Ding, Associate Dean, Faculty of Construction and Environment, The Hong Kong Polytechnic, Hong Kong, China
- Prof. Dr. Jan-Diederick VAN WEES, Utrecht University
- Dr. Aziz ZENASNI, Corporate Programs. Director, Luxembourg Institute of Science and Technology (LIST)
